

## INDIANA'S URBAN FAMILY PARENTING SPECIALISTS

Keeping Families Together | Helping Families Thrive

**B2E<sup>®</sup>**: IPIs Family Management curriculum that provides the parenting and life skills needed for family wellbeing & lifelong success.

**IPI Support Services**: a Family Resources Access Point that helps families thrive, while teaching them to establish their own, customized support networks.

**PENI<sup>®</sup>**: IPIs Professional Development training series & network, offering core and culturally competent strategies that work when serving urban families.

**(219) 886-1112**
